Food 4 U Food Pantry *Beloit SDA Church* *Beloit Wisconsin*

- There is a family from church. There have been 3 living in the home. Another daughter and grandson moved in with them because of hardship. They couldn't come to pick up their food right away so we left it for them. The mother of this household helps out at the food pantry, We gave them 60 lbs of food 2 times a month.

- This young man works for the local newspaper. The paper has cut back by half of what it used to do before the pandemic, So he now makes half of what he did. We are very happy to help him and bless him. We gave him 60 lbs of food 2 times a month.

- A church member knows a family well. The husband was in the USA. He was working and making an honest living. He has a wife and 2 small children. He went back to Mexico but planned to come back legally into the USA. Because of the pandemic and the borders being closed he was not allowed back in. This family lost his income and we were blessed to give them food because she could barely afford to buy any. We gave her about 70 lbs with a Steps to Christ in her box 2 times monthly.

- We helped a lady who is on disability. She doesn't have a car, so a church member takes her box of food to her. We pray with her and also study the Bible with her. She was very thankful for the food. We feel very blessed to be able to help her. We gave her 60 lbs of food 2 times monthly.

The daughter hasn't been able to find a job yet. She has no place else to go right now and because of the pandemic was not able to go out and find work. We gave 60 lbs food 2 times monthly.

Our pantry works on donations only. We don't have a budget we can pull from. So when we were able to get part of this grant offered because of the COVID -!9 pandemic it has been wonderful. We were given \$1000.00 and it has been so helpful.

The Wisconsin conference will be reviewing their situation and will be issuing another part of the grant to help them through this difficult time.
